Chenab in his letter No 265 dated 30.12.14. 37) The present condition of the Mahi is far from satisfactory and it is doubtful how far Govt. can be able to place matters in a proper footing within the short period of 5 years. For one thing the Mahi is in an advanced state of dilapidation and it will require about 4 to 5 thousand rupees to repair it properly. To raise money for the purpose proposals more or less difficult of execution are made. It is said that amounts ranging from Rs 5 to 8 thousand can be raised by transferring the Khata now in the Mahi's name to the names of the nominal tenants in the ~~towns~~ of certain lands. I am afraid the estimate is too sanguine. Besides it is doubtful how far the Govt. can so transfer. An advance of the amount from public funds to be recouped by [illegible]

Besides Rs 150 shown as Kanike collections cannot ~~be~~ will be managed by Govt. On the whole it seems to me that the Swami must be definitely given to understand that if Govt is to take up the management at all, the expenditure must be limited to Rs 2000 including the assessment and other charges and that if the Swami is willing the scale should be revised accordingly. the Mutt are contained in this office letter dated 23 Dec 1915 the Swami agrees to all the conditions with the exception of two. It was said (1) that the Swami should make his own arrangements for the recovery of the debts that might be due to the Mutt till the date of assumption of management by Govt and (2) that Govt would advance no money for the repairs of the Mutt, and that the repairs should be undertaken after the accumulation of sufficient funds out of the Mutt's revenue. The Swami wants Govt help for the recovery of the debts and he also wants the question of repairs to the Mutt building which is in a dilapidated condition to be dealt with in such a way as would seem best to them to restore it to its original state."

Dear Sir,

you are probably aware of the fact that during the last nearly 15 years we have been touring through various parts of South India and that we had made — what we deemed and hoped would prove — satisfactory arrangements for the management of our Sri Mutt affairs during our long absence. Having returned quite recently from abroad for just a brief glimpse at the Sri Mutt Edifices, buildings etc, we are however astounded and agonised to notice that the Mutt is in a very deplorable predicament indeed and that arrangements must be made without the least procrastination for bringing our affairs into a more orderly condition. We may state that we have decided on this momentous step after the gravest deliberation and in Consultation with our leading disciples whose strongly expressed wishes we have, in fact, herein sought to give Effect to and ~~whose~~ a Copy of whose Memorial addressed to us on the subject is here with enclosed for your information and guidance in arriving at a decision.

Our Agent Mr. Bhishta Dikshita has been deputed to wait on you with this Srimukha and Explain everything fully and clearly in person. We are greatly concerned at the non-receipt of a reply to — or even acknowledgment of — our Sri-Mukha of 22nd May last, wherein we had dwelt at length on the Condition of our Sri Mutt and Peeta, & the kind intervention of the Government in the matter of its administration during our absence on tour from headquarters. As our Vyasa Purnima however (July 15th) is fast approaching, our Asrama rules forbid us to move out of the premises wherein our Vyasa Puja and Chaturmasya Sankalpa &c. &c. are (until mid-September) and as we have to perform these in Camp near Bangalore, it is very much we cannot realise it. May we therefor request you to be so good as to keep this matter in abeyance until the middle of Aswayuja (mid-October) and inform us (at least 10 days in advance) of the date on which such an Official would be over here to take charge from us formally, whereon we shall also be over immediately and be here in order to hand over charge.

Sir,

With reference to your letter No. 369/Muz. 523-15-5 dated the 31st July 1916 forwarding for report 2 Srimukhas, received from the Swami of Sri Sakatapuramatta at Bhandigadi in the Koppa Taluk regarding the temporary management of the affairs of the Matt by Government , I have the honor to state as follows:-

(1) It is ascertained that the annual income of the Matt is Rs. 2923-8-0 and the total expenditure is Rs. 2098-12-0, as shown in the statement enclosed in the vernacular records.(Flagged A & B).

(2) The Amildar reports that the Matt buildings are in a dilapidated condition, and at present the cost of repairs may amount to nearly Rs. 3500/-. The Matt enjoys lands measuring 389 acres and 32 guntas

guntas with an assessment of Rs. 1734-3-0 as per margin. Some

	A.	G.	Assessment.
Sircar.	168-	34	Rs. 1014-8-0
Inam. .	217-	18	Rs. 719-11-0
	386-	12	Rs. 1734- 3-0

of these lands are leased out for cultivation and the remaining small extent is lying fallow. The present income is 856 candies of paddy and 86 maunds of areca and Rs. 131 in cash and in case the Banjar lands are cultivated there would be some increase in the income.

(3) As the Matt enjoys Inam and Sircar lands, there can be no sort of complications arising in the matter of vested rights by the interference of Government. All that the Swamigalavaru requires is that the property should be properly --- managed.

(4) The Amildar has further reported that at present the lessees of the Matt lands have not been regularly paying the gutta mainly on account of the indifference of the persons entrusted with the management of the Matt affairs.

(5) In this connection, I beg to invite kind reference to your letter No. 465/Muz. 559-13-2 dated 20th August 1914 stating that there would be no objection to the management being taken over by Government if the Swamigalavaru should be a consenting party. Now that the Swami himself has applied for Government interference, I beg to recommend that the Matt may be taken under Government Management temporarily during the Swami's

Swami's contemplated tour in Northern India.

(6) The 2 Srimukhas received with the reference under reply together with the file of Vernacular records ending with Kadur Sub Division Assistant Commissioner's Yadi No. 516/G.C. 245 dated 10th October 1916 are herewith submitted for reference.

Sir,

Adverting to your letter No.1281/Muz.523-15-9 dated 3rd December 1917 requesting to submit definite proposals in consultation with the Swamigalavaru of Sri Shakatapur Matt about the immediate requirements of the Institution, I have the honour to state that the Swamigalavaru, when consulted by the Amildar, was pleased to observe that if the management of the Matt were to be temporarily taken up by Government for a period of five years, the affairs might be expected to be set right within that period. The grounds set forth for such assumption are(1st) that of want of proper management of the institution, the tenants are not regularly paying their gutta, and 2ndly that the Matt building is about to collapse, if repairs to the same are not carried out -- immediately. He further states that the present financial condition of the Matt does not permit the undertaking of any repairs to the same, but suggests that as tenants holding Sirkar lands(bearing an assessment of Rs.1044/-) which are in the khate of the Matt have expressed their willingness to contribute from Rs. 5 to 8 for every Rupee of assessment on the land, the khate may be transferred to their names in as much as no income is realized from those lands by the Matt. Separate reference will be made to Government in the matter after needful enquiry.

P.2.

2. It will be seen from the statements Nos. I, II and III attached to the records, that the annual receipts of the Institution under all the items amount to Rs.2923-9-0 and the expenditure will come up to Rs.2392-9-0 leaving a balance of Rs. 531/- under savings.

3. In these circumstances, I recommend that the management of the Matt may be temporarily assumed to Government for a period of five years in accordance with the wishes of the Swamigalavaru and the Matt building ordered to be repaired -- immediately, the cost being met for the present from the State Grant, subject to adjustment in due course from the savings of the Matt Funds.

4. The file of vernacular records ending with the Tarikere Sub Division Assistant Commissioner's Yadi No.S.D.C.35/ 18-19 dated 26th July 1918 is herewith submitted for kind reference.

Sir,

With reference to your letter No.2850/Muz. 523-15-11 dated the 20th March 1919 calling for additional information in the matter of the proposed assumption of -- management of the Shakatapur Matt(Sri Tengina Mutt) at Bhandigadi in the Koppa Taluk, I have the honour to state that it is reported that the Swami has, in his letter addressed on the 14th June 1919 to the Amildar of the Koppa Taluk, agreed to the following conditions:-

(1) That the period of management by Government of the Matt affairs may be ten years.

(2) That the annual expenditure may be limited to Rs.2,027-7-9 as per details given in the statement enclosed in the file.

(3). That, during the management, the Government may lease out the lands to the best interests of the Mutt and the khates of such of the lands as are nominally in the name of the Matt, and in the enjoyment and possession of others yielding no income to the Matt, may be made in the name of occupants, provided they contribute some funds towards the repairs of the Matt.

P.2.

and(4). That, if any special changes have to be introduced, they may be made with the knowledge of the Swami[illegible], if he is at Head Quarters.

2. In your letter under reply, it is stated that the Swamy's request is not likely to be considered favourably, unless he is prepared to limit the expenditure to Rs.2,000/-. The present proposal of the Swami exceeds that limit by Rs. 27-7-9. As this increase is small and as, during the resurvey, the kandaya payable to the Mutt is said to have been -- increased by Rs.48-11-9, it seems that the increase asked for may be allowed. From the Statement of receipts and proposed expenditure, it is seen that the Mutt will have an annual surplus of Rs.896/- or 900/- in round figures; and the Swami says that the income will increase if the banjar lands are brought under cultivation.

3. The Swami's request for an advance of Rs.4,000/- to repair the Mutt buildings which are in a very dilapidated condition deserves a favourable consideration. The advance may be recouped either from the contributions said to be forthcoming from landholders to whom Pattas will be given, or from the savings of the Mutt income.

4. The file of vernacular papers ending with the Tarikere Sub Division Officer's Yadi No.35/1918-19 dated 16th July 1919 is herewith submitted for reference.

Adverting to the correspondence ending with your letter No.245 dated 10th August 1919, anent the proposed assumption of management of Sri Tenkina Matt otherwise known as Shakatapura Matt at Bandigadi in the Koppa Taluk, I am directed to state that the Heads of Matts are expected to themselves look after the management of their Matt properties and that Government cannot ordinarily undertake the management of the properties merely to suit the convenience of the Mathadipatis concerned; but nevertheless Government will favourably consider the request in this case if the Swami will agree to the conditions --- not below:--

(1) Immediately after the communication of the Government order on the subject,

(a) all the Matt properties should be placed in the possession of Government.

(b) a statement showing the names of the tenants to whom Matt lands have been leased and the terms thereof should be furnished, and the documents connected therewith produced.

(2) A list of all debts due to or by the Matt in respect of transactions carried on before the date of assump-

assumption of management by Government should be furnished for the information of Government. The Matt authorities should make their own arrangements for the payments or recovery of such debts; and Government will not undertake any responsibility in the matter.

(3) The Mathadhipati should execute a document in favour of Government authorizing them to transfer the Patta of the Matt lands to the names of the ryots who are in possession of them as owners for such consideration, if any, as they may be able to get therefor.

(4) Government will also be at full liberty to lease out the Matt lands to such persons as they like and on such terms as may appear to them most advantageous to the Matt.

(5) Government will be at liberty to exercise whenever necessary in the interests of the Matt, full rights of ownership over the Matt properties and the other rights referred to in Section 30 of the Muzrai Regulation.

(6) If the Matt receipts are found at any time insufficient to meet the scale of expenditure which is estimated to amount to Rs.2,027-7-9 according to the present forecast, Government will be at liberty to reduce the scale of expenditure in such manner as may appear to them best.

(7) No loan will be advanced by Government for the repair of the Matt. The repairs will be executed by Government only to the extent that they may be necessary or urgent, and that funds might be made available therefor from the amount at the credit of the institution at any time, and it will not be open to the Matt to question the necessity or correctness of the charges incurred by Government in this respect.

(8) The management will continue for a period of 10 years or such longer period as may be necessary, to place the affairs of the Matt on a satisfactory basis.

(9) A certain percentage of the receipts not exceeding 5% will be credited to Government towards the expenses of management.

2. I am to request that you will be so good as to ascertain and report if the Swami agrees to the above terms.

With reference to your letter No.1896/Muz.533-17-19 dated 22nd December last calling for a report after ascertaining from the agent of the proprietress at Thanlige in the Koppa Taluk whether he agrees to certain conditions if the resumption of the Inam enquiry by Government be ordered, I have the honour to state that the statement of the Swamy was taken before the Amildar of the Koppa Taluk on the 10th February 1920 and is enclosed in the file of vernacular papers.

2. It will be seen therefrom that the Swami agrees to all the conditions mentioned in the letter under reply but requests that Government help may be extended for the collection of debts due to the Mutt(Vide clause 2) and that the question of the repairs to the Mutt building which is in a dilapidated condition may be dealt with by Government in such a way as would seem best to them to restore it to its original state.(Vide Clause 7). The Swamy has been asked to state definitely what help he requires from Government for the recovery of the debts due to the Mutt.

3. The vernacular papers ending with the Tarikere Sub Division Officer's No.S.H.C.35 of 1918-19 dated 8th March 1920 and the file received with your letter under reply are herewith submitted.
